March 20, 2014

Dear Friends,

It is a privilege to send greetings to everyone celebrating *National Young Audience Arts for Learning Week*.

The arts have always been a unifying force in the world, bringing people together across vast cultural, social, economic and geographic divisions. By providing a rich and dynamic cultural education through a diverse offering of programs and curriculum, you are affording parents, teachers and most importantly students the opportunity to gain valuable exposure to the arts. It is my hope that your efforts serve as an example of the positive contributions individuals can make to the artistic community.

Please accept my best wishes for a wonderful event and many years of continued success.

Sincerely,

A handwritten signature in blue ink that reads "Kirsten Gillibrand".
