

# Science of Sound

Building an instrument from recycled material.

Aaron Fowler, Teaching Artist, Arts Partner Wichita

## Time to build!

Instrument Family:    Strings            Percussion            Wind

Draw a picture of your instrument, labeling each of the parts.

Material needed:

- |    |     |
|----|-----|
| 1. | 6.  |
| 2. | 7.  |
| 3. | 8.  |
| 4. | 9.  |
| 5. | 10. |

Building directions: Steps on how you will build this instrument?
